

July 2021

To our stakeholders:

I am pleased to confirm that Jeanologia SL reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we try to reflect our commitment with the sustainability and describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. As a Global Compact member, we champion the UN Sustainable Development Goals (SDGs), with a special focus on those that are most relevant for our company. We also commit to share this information with our stakeholders and the general public using our primary channels of communication.

Sincerely yours,

JeanologiaTM
