**Concern: Grace Letter**

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions about the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report due to some changes that our company undergone.

We hereby inform you that the name of our company New Mamba Sécurité SARI has been changed to Mamba Security Systems SARI.

These changes, which are the result of innovations and other objectives that we have set for ourselves, constitute a continuity of our company, and will not affect our service and commitments in any way.

We hereby request an additional 3 months to publish a COP report that describes our company's efforts and progress in implementing the UN Global Compact principles.

Sincerely yours.
