To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are experiencing a delay in creating, sharing, and posting our COP report as extenuating circumstances have caused work on its production to begin three months later compared to previous years.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October 31, 2021 at the latest.

Sincerely yours,

Name Mr. Yeon-Kyeong, Tak
