Sendas08/2021-020

The Sendas Association Institute (OSC) is coordinated by international migrants from Venezuela, as well as Brazilians and Brazilians who live and live in the city of Maringá-PR and region, and aims at welcoming, integrating and promoting actions in favor of asylum seekers and stateless persons and families and international migrants

1. Considering the impacts that the pandemic produced on local NGOs;
2. Considering the increase in social demand during the year 2020, a product of the pandemic;
3. Considering the increasing current social demand, a product of the pandemic;
4. Considering that the Sendas Institute is a small local entity.

You hereby request to UN Global, the grace period of 90 days for the delivery of the document "Communication on Engagement (COE)".

Graciously,

Erick Pérez Ortúño
Presidente
