

Strathmore
UNIVERSITY

23rd August 2021

To Our Stakeholders,

RE: COMMUNICATION OF PROGRESS AND STATEMENT OF CONTINUED SUPPORT FOR THE TEN PRINCIPLES OF THE UNITED NATIONS GLOBAL COMPACT

I am honoured to present Strathmore University's latest communication on progress (CoP) and reiterate our support for the ten principles of the UNGC. We continue to place particular emphasis on Human Rights, Labour, the Environment and Anti-Corruption.

The CoP is incorporated in our annual report for 2019, our latest at this time. It spans from page 64 to page 73, although many other sections of the report also make reference to these themes.

We remain committed to the UNGC's mission and will endeavour to continue reporting regularly on our progress.

Sincerely,

Dr Vincent Ogutu

Vice Chancellor Designate
