To our stakeholders:

We recognize that a critical requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (CoP). Unfortunately, our CoP report is late because we have prioritized our ongoing response to the COVID-19 pandemic, ensuring our employee safety, continuity of operations and feeding people.

As a result, we are requesting an extension. Our CoP report will be posted on the UN Global Compact website and Kellogg Company's Commitments/Reporting section of Kellogg Company's website no later than November 25, 2021.

Sincerely yours,

Kris Bahner
Senior Vice President, Corporate Affairs
