

**IARS Egypt for Training
and Consultancy- Ltd**

24th of August 2021

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to Covid 19 Shutdown which affect our business like the rest of the world. That leads to a delay in implementing some of our new strategy elements and accordingly finalizing our COP including all our progression on deadline.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 20th of November 2021 at the latest.

Sincerely yours,

Ahmed Abdel Aziz
