Dear Mr. Secretary-General,

I am pleased to confirm that The Kraft Heinz Company continues to support the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and respectfully request a **Reporting Cycle Adjustment** to the date of **12/31/2021** to better align with our annual reporting cycles.

Sincerely yours,
