

**1<sup>st</sup> September 2021**

To Our Stakeholders:

I am pleased to confirm that Detasi Co. Ltd. reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication.

Sincerely Yours,  
Mohamed Omer Suliman  
General Director

## Communication on Progress

### **Human Rights**

Provided financial and managerial support to the COVID vaccination effort at the Omar Ibn Al Khattab medical centre located in Khartoum State. This included financing part of the logistics around the campaign, ensuring the centre is hygienic and disinfected (disinfectants also provided by us), and contributing to the awareness campaign.

Provided school meals to about 100 children from poor families attending school located South of Khartoum.

Provided food rations to a number of poor families located in Khartoum State during Ramadan.

Provided continuous maintenance and support to an educational facility in White Nile State to provide access to primary education for children at a village with no adequate access to education.

### **Labour**

Continued oversight and implementation of Al Sayal Park, which will include community development initiatives and job opportunities for the local labor force.

### **Environment**

Helped maintain and manage the planted trees in River Nile and Northern States 4,000 fruit trees (dates, mangoes, grapefruit). Also expanded the number of planted trees by a further 500 trees.

Also continued contribution to the establishment of a large community park which included greenery and trees as part of Al Sayal Park.

**Anti-Corruption**

Provided staff with annual anti-corruption and ethical training as part of their overall training.

## Measurement of Outcomes
