COMMUNICATION ON ENGAGEMENT (COE)

Period covered by this Communication on Engagement

From: 19 February 2020 To: 31 August 2021

Part I. Statement of Continued Support by the Chief Executive or Equivalent

To our stakeholders:

I am pleased to confirm that NET Africa reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

F. Ayoola

Part II. Description of Actions

(1) Annual corporate social responsibility (CSR) policy publications on African Stock Exchanges and Listed Companies.

At NET Africa we are working alongside stock exchanges to improve practice in partnership with UN Global Compact and Sustainable Stock Exchanges. We attach a copy of our much recent publication on East African Stock Exchanges. Starting from September 2021, we will be producing several podcasts discussing these issues with African Stock Exchanges and Companies with a clear focus on ESG regulation and disclosure as well as Climate Bonds and promoting the development of the Climate Bond Market. For further information about our CSR work please click here: <https://www.netafrica.be/policybrief>

(2) Promote the Global Compact and its principles through the following activities

- a. The ten principles form part of our membership criteria, please visit: <https://www.netafrica.be/principles>
- b. We provide educational materials and publications on the theme of the ten principles, please visit: <https://www.netafrica.be/publications>
- c. We are a member of the Global Partnership for Business and Biodiversity where we promote global compact principles through sharing our resources.

(3) Promote Biodiversity Audit and Risk Management to the business community to improve environment management.
