To our Stakeholders:

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of a continued support for the UN Global Compact, a description of practical actions with regard to the principle of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the recent sad passing of Dan Bord, Head of Business Integrity. Dan was integral to our UN Global Compact implementation of activities and obligations and his loss will be felt widely in Crown Agents and the work it carries out.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global website by 17th December 2021 at the latest.

Your sincerely,

Zinnia Shah
Business Integrity Manager
