To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report in the intended form due to challenges with our graphics program. We hereby ask for an extension period of one month in order to be able to post a COP that describes and visualizes our company's efforts and progress to implement the principles of the UN Global Compact. Our COP report will be posted on the UN Global Compact website by October 15 at the latest.

Best regards,

Bonna Sørensen
Quality & Regulatory Director
