To our stakeholders:

RE: REQUEST FOR EXTENSION

We recognize that a key requirement for non-business participation in the UN Global Compact is the preparation and submission of a Communication on Engagement (COE) every two years. The COE comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to COVID 19 related staffing resources. We hereby ask for an extension period in order to be able to post a COE that describes our institution's efforts and progress to implement the principles of the UN Global Compact. Our new COE report will be posted on the UN Global Compact website by Friday November 26 2021, at the latest.

Sincerely yours,
