REPORTING CYCLE ADJUSTMENT REQUEST

This is to formally request for the adjustment of our Reporting Deadline from **November 17, 2021** to **May 31, 2022**.

Our Integrated / Sustainability Report is usually prepared in time for our Annual General Stockholders' Meeting held in the last week of May each year. This report will also serve as our Communication on Progress for UNGC and as such it would be more ideal if the reporting cycles are aligned accordingly.

We look forward to your favorable response.

Thank you very much.
