

16 OCTOBER 2021

To whom it will concern,

We are late in creating, sharing and posting our COP report due to COVID 19 conditions, our project plans delayed so measurement of outcomes or expected outcomes which we planned to report are also delayed.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 18 January 2022 at the latest.

Sincerely yours,

Pınar ILGAZ
