

October 20th 2021,

To Our stakeholders :

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to post pandemic unforeseen circumstances which led to important management restructuring, and the deployment of new 100% female leadership within the company.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by January 20th, 2022, at the latest.

Sincerely yours,

Saleh Al Rajhi

Chief Executive Officer
