Grace Letter – Deadline Modification

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Taking into account that we are currently preparing a Sustainability report according to GRI standards with obvious congruences with the COP, and after consultations with the local Serbian chapter of United Nations Global Compact, we hereby ask for an extension period for COP submission in order to take advantage of reporting synergies.

Our COP report will be posted on the UN Global Compact website by March 2022 at the latest.

Sincerely yours,
