

Together For Peace

Together for peace is a youth peace campaign jointly organized by the world's largest peace NGO, Heavenly Culture, World Peace, Restoration of Light (HWPL) and Participatory Human Rights Advancement Society at Udayan Govt. Girls High School & College, Dhakhinkhan, Dhaka on the 22 Feb, 2021.

HWPL is a South Korea based non-profit, non-governmental & non-religious organization with the goal of achieving world peace and the cessation of war. HWPL transcends culture, religion, ideology, and boundaries to achieve peaceful harmony in the global society.

Despite the many differences that exist between individuals, we should all live in harmony in the global village; however, war and conflict currently threaten the lives and safety of all. In order to end war and inherit everlasting peace in the

future, we must teach the values necessary for a new era of peace rather than the old ideology that has been stained by war.

HWPL's peace movement will leave for future generations the greatest legacy—life instead of death and permanent peace instead of endless wars.
