Dear Mr. Secretary General,

I am pleased to confirm that Institute for Integrated Rural Development (IIRD) supports the ten principles of the UN Global Compact with respect to Human Rights, Labour, Environment and Anti-corruption. With this environment, we express our intent to advance these principals with our sphere of influence, and will make a clear statement of this commitment to our stake holders and general public.

We recognize that a key requirement for participation in the global compact is the annual submission of the Communication of Progress (COP) that describes our efforts to implement the ten principles. This is our forth Communication on Progress (COP).

We pledge to continue to take part in the activities of the UN Global Compact where appropriate and feasible – through for instance, participation of country / Local Networks, involvement in special initiatives and work streams, engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communication on Progress (COP).

Sincerely Yours,

**Dr. L C Sharma
Managing Director**
