GRACE LETTER

**T : Global Compact Secretariat
UNHQ- NY
NY 17100 USA**

The International Emergency Management Organization (IEMO) presents its compliments to the Global Compact Secretariat and has the honor to submit the present Grace Letter to extend the date of presentation of its due Communication on Engagement (COE)

The Organization had technical problems with the contact email iemo@iemo.int and although the website www.iemo.int works correctly, the mail has automatically filtered more than 50 % of all external mail in the anti-spam and therefore we did not receive your due COE deadline alerts

Therefore, requesting the present Grace Letter, we have corrected our contact email with the present email iemo@iemo.it (functioning) corresponding to the IEMO Italian Branch (website www.iemo.it) to receive you communications in due time.

Also, we will immediately prepare the due COE, to be restored into the «communicating» category

Please agree, Dear Sirs, the expression of our highest regards.

Yours faithfully,

29 October 2021

Dr. Alessandro Manini
IEMO President
