Dear Sir / Madam,

RE: CHANGE OF COP REPORTING DATE

I am writing to inform you that we would like to change our Communication on Progress report to the UN Global Compact. The deadline currently is 12th November 2021 and would like to change it to 5th June 2022. This is to align our COP report submission with our annual integrated report whose publication happens mid-late May each year. To this end therefore, I am requesting to adjust our reporting cycle to 5th June.

Should you have any queries or further clarifications please feel free to contact me on jane.waiyaki-maina@absa.africa or + 254700332151

Yours sincerely,
