

Grace Letter

November 3rd, 2021

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions regarding the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report due to an unexpected accumulation of running projects, and the lack of resources due to the consequences of the current pandemic situation caused by the SARS-CoV-2.

We hereby ask for an extension period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by February 16th, 2022, at the latest.

Sincerely yours,

Eloy García Álvarez
Head of Projects
