To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We will be late in sharing and posting our COP report due to the financial reporting dates decided for year 2022. Raisio plc's shares are listed on Nasdaq Helsinki Ltd and we have announced that our Annual Review, which includes the Financial Statements and the Board of Director's Report, and the Corporate Responsibility Report for 2021 will be published in week 11 / 2022.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website *by March 31, 2022 at the latest*.

Sincerely yours,
