Subject: Grace Letter

To our stakeholders:

Firstly, DAL Food would like to reiterate its pledge and maintain its commitment to the Ten Principles of the United Nations Global Compact (UNGC) in the areas of Human Rights, Labour, Environment, and Anti-Corruption.

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the political instability we are currently experiencing in Sudan. We have been through long periods of telecommunication blackouts and civil disobedience acts that severely affected our day to day work. Moreover, DAL Food recently underwent structural changes that affected our communication and reporting processes.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 28 feb 2022 at the latest.

We appreciate the consideration given to our request

Sincerely yours,

Mrs. Azza Nuri
Social partnerships Manager
