

November 26, 2021

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We have officially become part of UN Global Compact on 13th of January 2021 and our first Communication on progress is due January 2022. For many years, we are publishing our Integrated Annual Report each February, hence we would appreciate to move date of our Communication on progress so we can incorporate it in our Integrated Annual Report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 13th of March 2022 at the latest.

Sincerely yours,

Jean-Christophe Tellier
Chief Executive Officer, UCB
