## GRACE LETTER ATIPICO GROUP

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions regarding the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing, and posting our COP report due to some changes we are making inside the company. For now, also we are attending a lot of projects with our clients and we unable to share with you properly our CoP without affecting our responsibility as company with the 10 principles.

We hereby ask for an extension period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by [05/03/2021, max. 90 days from COP deadline] at the latest.

Sincerely yours
