Subject: Adjustment Request

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

At present, we are due to submit our inaugural COP on February 15th 2022. However, to align our corporate reporting cycle with this deadline, please accept this letter as Jupiter Fund Management's formal request to adjust our COP submission deadline to April 30th 2022.

Yours sincerely,

Ashish Ray
