Dear Mr. Secretary-General,

I am pleased to announce that AKIŞ REAL ESTATE INVESTMENT ORTAKLIĞI A.Ş. has become a participant since 31/12/2019. I also confirm that our company continues to support the Ten Principles of the United Nations Global Compact on human rights, labor, environment and anti-corruption.

With this communication, we again express our intent to implement those principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. AKIŞ GAYRIMENKUL YATIRIM ORTAKLIĞI A.Ş. makes a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the UN Global Compact, and annually thereafter according to the UN Global Compact COP policy.

As a result of this commitment, we are pleased to report that we have submitted our sustainability report, the United Nations Global Compact Progress Report, as an annex to this letter.

Sincerely yours,

İhsan Gökşin DURUSOY
