

27 December 2021

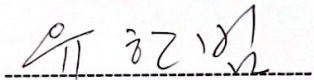

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report fundamentally due to the complications brought about by the COVID-19 pandemic, such as activity(ies)/program(s) cancellations, delays, postponements, and other issues. These reasons caused that delay in submitting our COE.

We hereby ask for an extended period to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 27 March 2022 at the latest.

Sincerely yours,

Han-Beom You
TI-Korea Executive Director
