Dated: 28th December, 2021.

To
United Nations Global Compact,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report because this is Youth For Human Rights India's first time compiling a report of this scale to suit the requirements of the United Nations Global Compact Network. We have organised over 200 events covering the scale of work we have accomplished under the umbrella of UNGC.

We would like to apologise for the delay and hereby ask for an extension period in order to be able to post a COP that describes our organisation's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website on or before 27th of March, 2022.

Sincerely yours,

Dr. Arjumand Zaidi
