

CHAIRMAN & C.E.O

Casablanca, December 8th, 2021

*António Manuel De Oliveira Guterres
Secretary-General of the United Nations
New York, NY 10017 – USA*

Mr. Secretary General, H.E. Mr Guterres,

BANK OF AFRICA BMCE Group, hereby confirms its continued endorsement and support to The Ten Principles of the UN Global Compact relative to human rights, international labour standards, the environment and the fight against corruption.

As an engaged member of the Global Compact since 2016, BANK OF AFRICA BMCE Group has been driven by the conviction that the financial sector plays a central role in the co-construction of a sustainable and inclusive economy, aligned with Sustainable Development Goals.

Our Group has demonstrated its commitment to creating favourable conditions for a transition to a low carbon economy, through the issuance of a Green Bond, financing facilities dedicated to protecting water resources, promoting the circular economy, resource & energy efficiency, supporting women in business, renewing our ISO 14001 environmental certification as well as our ISO 50 001 energy and HQE sustainable construction certifications, in addition to a carbon footprint.

In June 2016, our Bank adopted the Ten Principles of the Global Compact, further testimony to its proactive approach to sustainable and responsible development.

BANK OF AFRICA BMCE Group hereby confirms that:

- It is supportive and confirms its continued endorsement to the ten principals of the Global Compact.*
- Submit the annual Sustainability report 2020 of BANK OF AFRICA BMCE Group*
- In addition, the integrated annual report 2020.*

Yours, Sincerely,

Othman BENJELLOUN
