Letter of Recommitment

Dear Mr. Secretary-General,

I am pleased to confirm that *Jadranski naftovod, dioničko društvo (JANAF Plc.)* supports the *Ten Principles of the United Nations Global Compact* on human rights, labour, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the *UN Global Compact* and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects, which advance the broader development goals of the United Nations, particularly the *Sustainable Development Goals*. *Jadranski naftovod, dioničko društvo (JANAF Plc.)* will make a clear statement of this commitment to our stakeholders and the general public.

We are renewing our membership in the *UN Global Compact* after having improved, in the meanwhile, our capabilities and capacities for successful and complete sustainability reporting.

We recognize that a key requirement for participation in the *UN Global Compact* is the annual submission of a *Communication on Progress (COP)* that describes our company's efforts to implement the *Ten Principles*. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the *UN Global Compact*, and annually thereafter according to the *UN Global Compact COP policy*. This includes:

- A statement signed by the chief executive expressing continued support for the *UN Global Compact* and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the *UN Global Compact*.
- A description of practical actions (i.e., disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement the *UN Global Compact* principles in each of the four issue areas (human rights, labour, environment, anti-corruption).
- A measurement of outcomes (i.e., the degree to which targets/performance indicators were met, or other qualitative or quantitative measurements of results).

Sincerely yours,

Stjepan Adanić, MSc.
Chairman of the Management Board
