To Our Stakeholders,

Arrow Electronics, Inc. has been a United Nations Global Compact (UNGC) signatory since 2011. We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE), including a chief executive officer statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are currently developing our inaugural Environmental, Social, and Governance (ESG) report. This endeavor will enable more robust disclosure of our environmental and social performance overall but will delay the sharing and posting of our COE report.

We hereby ask for an extension period to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by May 5, 2022 at the latest.

Sincerely,

Lara Hussain  
Director of ESG, Investor Relations
