To our stakeholders:

### GRACE LETTER FOR EXTENSION OF COMMUNICATION ON PROGRESS

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report due to the recent re-opening of our business in December 2021 (which was earlier closed due to the COVID-19 pandemic).

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31 March 2022 at the latest.

Sincerely yours,

Karl Fischer
