Global Compact

Bologna, 25/01/2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the fact that the process of data collection is still ongoing. We are now gathering information related to year 2021, which we will present in our Sustainability report. The latter will be made publicly available by the end of February 2022.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by April 1st 2022 at the latest.

Sincerely yours,

Francesco Soldi
