To our stakeholders:

I am pleased to confirm that Energime University reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents. In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Founder and President Energime University

Part 2. Energime University has continued to build our coalition of support, develop relationships to deliver critical information supporting sustainable use of our resources (Food, water, energy, waste stream management) while supporting the global coordination and respectful collaboration of individuals, schools, organizations, agencies, and governments in addressing food security,

human rights, environmental stewardship, the alleviation of poverty, improvements in standards of living, and the access to the empowering knowledge and skills that support these areas of community/societal development and improvement.

Part 3. Since the beginning of 2019, Energime University has entered into partnerships with over 30 schools and Universities, the cities of Egg Harbor City and New York for projects supporting our education mission goals and the creation of food security projects aimed at bringing healthy and abundant sources of nutrient rich produce and fish through our aquaculture projects into communities and "Food deserts" lacking access to healthy or easily found food options.
