

January 30th, 2022

To our stakeholders,

Ideamérica has been part of the UN Global Compact since 2013 and has consistently renewed its commitment to the principles it promotes. We recognize that a key requirement for the participation in the UN Global compact is the preparation and posting of a Communication on Engagement (COE).

We are late in creating, sharing, and posting our COE report due the circumstances created by the COVID 19 pandemic.

We are in the process of elaborating the Communication on Engagement for the years 2020 – 2021, and we kindly request an extension on the deadline of 90 days, in order to be able to share a COE that best describes Ideamérica's efforts and progress in support of the UN Global Compact during this exceptional pandemic crisis.

Our new COE report will be posted on the UN Global Compact website by 30th of April at the latest.

We appreciate your understanding.

Yours sincerely,

Maria Teresa Nieto
