

3<sup>rd</sup> February 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the unexpected series of illnesses among our organization employees caused by COVID-19, which is at the peak in the previous several weeks in Serbia, which interrupted our usual business patterns and caused delay in our commitments.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 30<sup>th</sup> April at the latest.

Yours sincerely,

Ms Ivana Jovčić  
Executive Director  
Environment Improvement Centre
