

UNITED NATIONS GLOBAL COMPACT

685 Third Avenue, FL 12

New York, NY 10017

02/04/2022

To our stakeholder,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication On Progress (COP) that includes a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report due to the after 2 years of covid crisis, we are organizing our company for a new start in web.3 , which resulted in a lot of disturbance in our different schedules.

We hereby ask for an extension period in order to be able to post a COP report that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by April 30th, 2022, at the latest.

Sincerely yours,

Mr. Michel DELOUYA

CEO of Maguen Cyber
