**CEO & Executive Director**  
**United Nations Global Compact**  
**NEW YORK.**

Dear Ms. Ojiambo,

**RE: COMMUNICATION ON PROGRESS (COP) – GRACE PERIOD REQUEST**

---

We recognize that a key requirement for the participation in the United Nations Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO Statement of continued support for the United Nations Global Compact, a description of practical actions with regard to the principles of the United Nations Global Compact and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our Communication on Progress Report due to: ensuring that it is aligned with Family Bank's 2021 Annual Integrated Sustainability Report and Financial Statements, as per the Central Bank of Kenya Prudential Guidelines.

We hereby ask for an extension period in order to be able to post a Communication on Progress Report that best describes our company's efforts and progress to implement the principles of the United Nations Global Compact website by March 31, 2022.

**Yours Sincerely,**

**REBECCA MBITHI**  
**MANAGING DIRECTOR/CEO**
