

UN Global Compact

07/02-2022

## COP Adjustment request

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

**We want to align our COP reporting cycle to reflect the one of our owners.**

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by 1<sup>st</sup> March 2022.

Sincerely yours,

*Mr. Kenneth Damm Hansen*  
*Senior Manager – Marketing & Communication*
