

Curitiba, February 7<sup>th</sup> 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report since the official deadline communication moreover, due to the worsening of the coronavirus pandemic in Brazil, caused by the OMICRON variant that dispel several of our collaborators from their functions since 2022's early days.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website in **90 days from current date** at the latest.

Sincerely yours,

Melina Girardi Fachin
