Extension of deadline for submission of CoP

Dear Sir/ Madam:

We are writing to request an extension of the deadline for submission of the Communication on Progress (CoP) to the UN Global Compact.

Our company is currently working to prepare its Sustainability annual report and will not be published before the deadline given. The 90-day extension offer to the current COP deadline that you communicated to us via email, would allow us to finish the report and use the information for the reporting.

Please, let us know when possible if you could grant this extension

Thank you very much.

Kind Regards,
