Dear Sir/Madam UN Global Compact Communication on Progress: Grace Letter

To our stakeholders: We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are still in the process of creating our COP report, as some of our key projects on social responsibilities, which we would like to include in the report are currently going on and would take another month to complete.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by May 20, 2022 at the latest.

Sincerely yours,

Haluk Can Hür

Chief Executive Officer
