UNITED NATIONS GLOBAL COMPACT

BANK OF INDUSTRY PROGRESS REPORT 2021

February 15th, 2022

H.E. Antonio Guterres

Secretary General

United Nations

New York, New York 10017

Dear Secretary General,

I am pleased to confirm that the Bank of Industry (BOI) supports the Ten Principles of the Global Compact with respect to Human Rights, Labour, Environment and Anti-Corruption.

In the last year, we continued to take deliberate action towards the achievement of the global UN Sustainable Development Goals, developing and implementing strategic interventions and initiatives focused on scaling up our sustainable impact to protect the environment, develop our communities and build our economies.

Our Communication on Progress this year details our advancement in meeting and integrating the requirements of the Global Compact and its principles in our business model and operations from the period of January 1, 2021 to December 31, 2021.

Please find hereunder our latest Communication on Progress (COP) report. We remain committed to share this information with our stakeholders using our primary channels of communication.

Yours faithfully,

For: **BANK OF INDUSTRY**
