To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

There is a delay in creating, sharing and posting our COP report as we have been considering enrolling in the Early Adopters Programme, however our final decision is to continue with current practice.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31.03.2022 at the latest.

Sincerely yours,

Mr. İnanç Erdoğan

General Manager
