To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions about the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes. We want to align our internal reporting cycle with the COP deadline. We hereby request our COP deadline to be adjusted to **30.06.2022**.

Sincerely yours,

Mr. Andrea Fani
