To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of the Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regards to the Ten principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a heavy load of project deliveries during this time of the year.

We hereby ask for an extension period in order to be able to post a COP that best describes our progress. Our new COP report will be posted on the website by March 20, 2022 at the latest.

Sincerely yours,

Marwan Dimas
Group Chief Marketing and Communication Officer
