Communication on Progress

1. CEO Statement

January 2022

To our stakeholders:

Dentsu's ambition is to be a force for lasting good in the world and champions for meaningful progress. I am pleased to reaffirm dentsu international's support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption. During a time of unprecedented challenges, I am proud of the progress we made and the care that our people continued to show for our clients and our business.

In this annual Communication on Progress, we describe our actions to continually support the integration of the Global Compact and its principles into our business strategy, culture and daily operations. Dentsu is in a unique position to influence the way people think, feel and act, and use that power for both growth and good. We commit to sharing our progress with stakeholders on how our work and people are supporting the Global Compact.

Sincerely yours,

Wendy Clark,

CEO, Dentsu International
