

21st January 2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Transparent reporting is important to AIB and although our COP is due on February 25th, in order to ensure our reporting continues to meet high standards we believe there is merit in aligning our COP reporting with our annual corporate reporting calendar. This requires a 10 day extension to our COP reporting deadline.

We hereby ask for such an extension period, in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by March 5th 2022 at the latest.

Sincerely yours,

Mary Whitelaw
